FOR INCOME VERIFICATION

(Includes payroll data, YTD wages, historical pay information, etc.)

Verifier will need:

- Company Code: **102301**
- Your Social Security number

The screenshot shows the InVerify website interface. At the top, there are navigation links: OUR SERVICES, WHY INVERIFY, ABOUT US, SUPPORT, CONTACT US, and a Login/Register button. Below the navigation is a header with the InVerify logo and the text 'Income and Employment Verification Services'. A large green checkmark graphic is on the right side of the header, next to a photo of a smiling woman. A 'GET STARTED' button is prominently displayed. Below the header, there are three service categories: 'NEED TO VERIFY SOMEONE'S INCOME OR EMPLOYMENT NOW?', 'EMPLOYEES, SUPPLY INCOME KEY, VISA LETTER OR ACCESS SELF SERVICE', and 'NEED TO OUTSOURCE YOUR INCOME OR EMPLOYMENT VERIFICATIONS?'. A main heading reads 'Throw it over the fence. Easier for your employees - easier for you'. Below this, there is a section with a photo of three people working at a computer, followed by text explaining the service's benefits: 'Because Humans are your best resource - Free up valuable time by leaving verifications to our team of experts. InVerify provides secure, fast, and accurate access to the latest income and employment verification information 24 hours a day 7 days per week. InVerify is a National Provider of employment and income verification services. We represent Employers so when their employees apply for a loan, mortgage or other event requiring employment verification, we provide this information on behalf of the employer. InVerify utilizes an online application and processing center to share the appropriate information in a timely manner. Our customers utilize our income and employment verification services because we process efficiently, are fully auditable and minimize risk associated with sending inappropriate information.' To the right of this text are three key features: 'MINIMIZE RISK' (Ability for our customers to control what information is provided to verifiers by utilizing our services), 'FULLY AUDITABLE' (All transactions are logged to allow tracking of who requested what information on who and when), and 'EFFICIENT' (Engaging a company whose core competence is executing verification transactions which means fast response times for your employees). At the bottom of this section are 'WHY INVERIFY?' and 'GET STARTED NOW' buttons. The footer contains copyright information, a Norton logo, and the InVerify logo.
